

JANUARY 2022

We hope you had a wonderful Christmas and a Happy New Year!

Pajamuary!

We will be beating the winter blues with a fun theme week from Monday, January 24 through Saturday, January 29. Dancers are invited to wear a cozy pair of pajamas to dance class (but be sure dance clothes are underneath, as we tend to get a little hot in pjs!). Don't forget dance shoes!

Band App

Please be sure you've downloaded the Band App, have created your account and have linked to your dancer's classes. If you need the Band App link for your dancer's class, please just reach out to the office and let us know. The Band App is a wonderful resource for choreography videos and recital music so dancers can practice at home.

Recital Work

We have been busy editing music and preparing choreography to begin recital work this week! Attendance is extremely important, since dancers will be adding choreography in classes weekly.

TEAM Parent's Show

Our competition team will be kicking off their season with our Parent's Show performance on Sunday, February 13. If your dancer is interested in the team opportunity, for dancers ages 3 and older, this is a wonderful chance for you to check it out! Stay tuned to the February newsletter for more information regarding performance times!

Dad's Dance

Dads, we are so excited to be dancing with you again this season after having to take the past few off! No need to RSVP beforehand, dust off those dancing shoes and just show up! Dads will perform at the end of each recital held during recital weekend - Friday, May 6 and Saturday, May 7.

Who - ADC Dads (leave your dancers at home, this one is just for the dads!)

When - Tuesdays at 8:30 pm, beginning on February 1

Where - Studio 2

Why - to have fun and hang out with the other dance dads, make good on a bet you may have lost, because you got guilted into it by a sweet-faced little dancer of yours or maybe to embarrass your dancer a little!

UPCOMING DATES
