

This 23.24 fall.spring program will officially 'expire' on Thursday, May 23rd. Any summer classes, or next season's fall.spring classes, need to be registered for within your parent portal.

After our May 3 & 4 recitals, a modified class schedule will continue during the month of May, beginning May 6th and continuing to May 23rd. If your dancer chooses to participate in one of the 45-minute class each week, they will work on a parade routine that will be performed at the La Vista Days Parade (Saturday, June 1st) or the Papillion Days Parade (Saturday, June 15th). The parade is a unique performance opportunity in the community that are a lot of fun!

Even if your dancer is not available to join us for the parade, we would still love to have them join us for the remainder of our May classes to learn this new routine.

Dress code for these May classes is comfortable clothing that your dancer can move around in with socks and tennis shoes.

Please just have your dancer show up for the class day & time that works best for their schedule – no need to sign up or RSVP for your class time!

May class schedule – Monday, May 6th through Thursday, May 23rd
