Acapriccio Dance Company

Costume Balances Just a reminder that your dancer's recital costume balance will be processed with auto-pay on Monday, November 11th. If your child's costume balance is not received in full by November 11th, your dancer's recital costume will not be ordered and your child will not be able to participate in the recital. In addition to your costume balance being paid in full, all family accounts must be at a zero balance.

Winter Weather When bad weather begins to arrive, we will cancel classes if the majority of the major school districts are not holding classes or after school activities. The studio voicemail, social media pages will be updated as soon as a decision to close the studio has been made. An email and text will also be sent. If bad weather begins to arrive during the course of the evening, please call in advance to see if classes are cancelled *before* you head out in the storm.

Happy Harvest Hoedown November's theme week will be our Happy Harvest Hoedown to celebrate our thankfulness just before our Thanksgiving break. Dancers are invited to wear western gear (plaid, cowboy hat, bandana, etc) to their regular class time from Monday, November 18 through Saturday, November 23.

Don't Forget! The Studio will be closed for Thanksgiving Break from Monday, November 25 through Saturday, November 30. Classes will resume on Monday, December 2. Have a Happy Thanksgiving!

Holidays In Whoville We are so excited to at the overwhelming response for our dancers to participate in our 6th annual holiday benefit performance, Holidays In Whoville. All of the proceeds from this performance will go towards Dancers Against Cancer. The Holidays In Whoville performances will be held on Saturday, December 21 at Ralston High School. Show time assignments have been emailed out. Ticketing information will be coming soon!

BAND App Individual class links were emailed in mid-October for the Band App. This app is a wonderful resource for us to share performance music and for your dancer to have a video of the choreography we've learned in class to help them practice at home. If you haven't already, be sure to join today!
