

ADC Fairytale Recital Guidelines 2024

Ralston High School Auditorium – 8969 Park Drive

Dancers Pre-Arrival at HOME

- Dancers change into tights with no undies (pull-ups for our tiny dancers are fine!) and costume
- Dancers have hair fixed and ready before arrival with costume accessory secured with extra bobby pins
- Dancers have make-up on before arrival – a little blush, eyeshadow (light browns work great), lip gloss or lipstick
- Bring your dance bag with your dance shoes inside
- Have your dancer use the restroom before leaving the house

Dancers Arrival at Ralston

- CARRY dance shoes in their dance bags (**DO NOT WEAR DANCE SHOES OUTSIDE**)!
- Have your dancer use the restroom one last time before dropping them off. We will NOT pause the show if your dancer is in the restroom during their class performance and we also will not ask them to hold it until after their turn on stage.
- Dancers should be checked-in with their class back in the hallway **NO LATER THAN 15 minutes** before their show time begins (we will not wait for late-comers).

Parents/Guest Arrival at Ralston

- Grab flower pre-orders
- Have tickets ready and go to seating line outside of the auditorium doors

Recital

- When the recital begins, we ask that there is no photography or videography of any kind. Our professional videographer will be capturing all the performances and we'll be sure to pass along access to the digital downloads as soon as they're ready!

After the Show

- ONE PARENT will be asked to go to the back hallway to meet their dancer.
- The audience will be asked to exit the auditorium as quickly as possible to prepare for the next performance.

As a reminder, different from the Holidays in Whoville performances, you've paid for the purchase of your spring recital costume. You are NOT renting it, so it does NOT need to be turned back in after the recital performance.
